## 1 Introduction

Stadiums Queensland has issued this Publication Scheme in accordance with the requirements of Section 21 of the *Right to Information Act 2009*.

The Publication Scheme provides information about the structure and functions of Stadiums Queensland, the types of documents held by it, and the ways in which these documents can be accessed.

Publications available to be viewed via the Stadiums Queensland website are underlined. These documents can be viewed by clicking on the document title. Copies of the other publications listed can be obtained by contacting Stadiums Queensland on (07) 3008 6100.

## 2 About Us

Stadiums Queensland (formerly named the Major Sports Facilities Authority) was established by the *Major Sports Facilities Act 2001* and commenced operations on 21 December 2001.

Stadiums Queensland is charged with the management of major facilities declared under Queensland Government regulation as being venues having the capacity to stage national or international sports events, to deliver recreation and entertainment experiences.

## 6 Our Decisions

Decisions are taken at various levels across the organisation commensurate with delegations as assigned.

### **Board**

The Board is responsible for the overall corporate governance of Stadiums Queensland. It sets the organisation's strategic direction within the parameters set down by legislation applicable to Stadiums Queensland and determines the policies and practices that govern its day-to-day operations.

### **Executive Leadership Team Committee**

The Executive Leadership Team Committee is chaired by the Chief Executive (CE) and comprises Group Executives and Executive General Managers. The Executive meets monthly to ensure a consistent approach to business operations and strategic implementation. It reviews processes and procedures for the effective management of the organisation and to enable it to meet its statutory obligations. It monitors the performance of the organisation and establishes the mechanisms required to manage capital works programs and construction projects. The Executive also performs the role of the Information and Communications Technology Steering Committee.

### **Functional Areas of control**

There are six functional areas reporting to the Chief Executive, covering the following functions:

#### **Finance and Corporate Services**

Ensuring the requirements of Stadiums Queensland's corporate governance framework are complied with, including secretariat responsibilities as well as the provision of finance, legal, procurement, information management and risk management services across Stadiums Queensland's total portfolio.

#### **People**

Providing and supporting people and capability related services across Stadiums Queensland's portfolio.

### **Technology Services**

Ensuring effective management and application of information and communication technologies across Stadium's Queensland's total portfolio.

### **Operations and Commercial**

Ensuring effective operation of venues and the provision of a safe environment for patrons, maintaining communication channels with stakeholders and optimising venue utilisation and commercial opportunities.

### **Assets and Facilities**

Maintaining venues to be fit for purpose, implementing annual capital works and maintenance programs and overseeing the development of new facilities.

### **Strategy and Performance**

Ensuring organisational strategy including policy, planning and stakeholder engagement is aligned to Stadiums Queensland's and government objectives and monitored through effective organisational performance mechanisms.

### **Stadium Management Advisory Committee**

A Stadium Management Advisory Committee (SMAC) has been established to fulfil a condition of the Suncorp Stadium Development Approval. Suncorp Stadium's General Manager convenes SMAC on behalf of Stadiums Queensland. This Committee comprises representatives from emergency service agencies, transport providers, Brisbane City Council and community organisations. These meetings enable Stadium Management to receive a range of views regarding the operation of the stadium. Three SMAC meetings were held during the financial year.
